

Bi-Color Stack & Nest Totes

Bi-Color Totes

Buckhorn's unique Bi-Color Stack & Nest Totes offer instant identification on empty (nested) or filled (stacked) status — perfect for Lean or color-coded manufacturing systems.

Ideal for a wide range of food, manufacturing and distribution applications, Bi-Color Totes are available in a wide variety of dimensions.

- Stack when loaded to protect contents, nest when empty with 180° turn for 50% space savings!
- Modular to 48" x 45" pallet
- Identification areas for labels, tags, RFID, and other ID systems **See page 54**
- Compatible with automated handling equipment
- All Bi-Color Totes come with drain holes
- Available with vented sidewalls and/or vented base
- Open handles for easy gripping. Ergonomic for comfortable lifting
- Custom colors available with minimum quantity order **See page 54**
- Smooth surfaces allow easy cleaning and label applications
- HDPE construction. Use with temperatures of -20° to 120° F

Did You Know...?

The unique, one-piece design of the Straight Wall Bi-Color Totes allows for optional dividers, cradles and dunnage to enhance product protection.

Stack & Nest Totes

Buckhorn's Stack & Nest Totes are ideal for use in general manufacturing, distribution and food processing applications.

- Extra reinforcing ribs on the underside of the corner and flange prevent breakage from heavy loads or mishandling
- Smooth, finished edges of totes are safer to handle — no sharp edges or splinters
- Smooth interiors for easy cleaning
- Textured areas on some models allow easy application and removal of identification labels
- FDA-approved materials; USDA-approved designs
- Use with temperatures of -20° to 120° F
- Optional hot stamping, special colors or other identification methods are available

Stack & Nest MultiTrays

Ideal for in-plant handling of light components or parts washing applications. See page 48
